Santa Barbara, CA - New divisions have been added to the Santa Barbara Shootout as it enters its 20th year. At the same time the Shootout is moving back to its traditional dates of being held on President's Day Weekend in February. The demand for a WDIA game division and the desire to add opportunities for NCAA programs, high school teams and middle school teams has prompted the return to the customary weekend. Additional information and a form to use to enter are available on the [Shootout](#) page of this website.
